Creating an Account in UtahFutures

You do not need an account to use UtahFutures, but there are many benefits. You must have an email address to create an account. Student accounts are based on graduation year and can be connected to their school. Use the steps below to get started.

Step 1 - Create an Account:

1. Click the **Create Account** link in the top-right corner of the homepage.
2. Complete the Account Form and set a Username and Password (use a combination of letters and numbers only).
3. If you are a K-12 student, select your graduation year, otherwise select, "High School Graduate or Out of School".
 - Students will be prompted to select their school to complete the form.

Create your UtahFutures account by completing the form below:
